

Shakespearean Sonnets

Directions: Step One: Review the three sonnets below. Individually, identify what you believe the standard rules for writing a Shakespearean sonnet may be and write them at the bottom of the page. **Step Two:** Reread each poem and "Talk to the Text". Identify themes, figurative language, questions you may have etc... Then, Think-Pair-Share

Sonnet 130

Talking to the Text

My mistress' eyes are nothing like the sun;
Coral is far more red than her lips' red;
If snow be white, why then her breasts are dun;
If hairs be wires, black wires grow on her head.
I have seen roses damask'd, red and white,
But no such roses see I in her cheeks;
And in some perfumes is there more delight
Than in the breath that from my mistress reeks.
I love to hear her speak, yet well I know
That music hath a far more pleasing sound;
I grant I never saw a goddess go;
My mistress, when she walks, treads on the ground.
And yet, by heaven, I think my love as rare
As any she belied with false compare.

Romeo and Juliet, Act I, Prologue

Two households, both alike in dignity,
In fair Verona, where we lay our scene,
From ancient grudge break to new mutiny,
Where civil blood makes civil hands unclean.
From forth the fatal loins of these two foes
A pair of star-cross'd lovers take their life;
Whole misadventured piteous overthrows
Do with their death bury their parents' strife.
The fearful passage of their death-mark'd love,
And the continuance of their parents' rage,
Which, but their children's end, nought could remove,
Is now the two hours' traffic of our stage;
The which if you with patient ears attend,
What here shall miss, our toil shall strive to mend.

Romeo and Juliet, Act II, Prologue

Now old desire doth in his death-bed lie,
And young affection gapes to be his heir;
That fair for which love groan'd for and would die,
With tender Juliet match'd, is now not fair.
Now Romeo is beloved and loves again,
Alike betwitched by the charm of looks,
But to his foe supposed he must complain,
And she steal love's sweet bait from fearful hooks:
Being held a foe, he may not have access
To breathe such vows as lovers use to swear;
And she as much in love, her means much less
To meet her new-beloved any where:
But passion lends them power, time means, to meet
Tempering extremities with extreme sweet.
